371 FORMALITIES LETTER

Subject: Enquiry

I have received Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) of 06/06/2005 in which I am asked to furnish to USPTO Oath or declaration of the inventors and pay \$65 Surcharge for providing mentioned document later than required (enclosed a copy of the Notification).

I am the applicant and inventor and I have included my declaration of inventor (PCT Rule 4.17(iv) for US only) in my Request which I have signed and filed with International Bureau.

In connection with my question whether can I have a problem in national phase before USPTO because I did not sign or dated the declaration, IB replied to me on 10 December 2004 that I should not have any problem in national phase before USPTO, because I have signed the request form in Box X and declaration has been submitted at the time of filing (enclosed copy of IB's reply of 10 December 2004).

Also, my declaration published in PCT Gazette with my Patent application - publication No. WO 2004/020158 A1.

A second copy of the published International Application and a copy of the declaration I have enclosed with the Transmittal Letter to the US - Form PTO-1390 as I am advised by a consultant from USPTO - PCT Division Helpdesk in telephone communication before I sent my documents to USPTO for entry into US national phase.

I would like to emphasize the following:

a) My mailing address and telephone number for correspondence indicated in my declaration and request are different from my mailing address and mentioned telephone number in the publication of my application and other documents dated after 11.12.2002 because I have changed this address and telephone number for correspondence after filing

- 2 -

US Application No. 10/524,436
International Applic.No.PCT/IB02/03439

my international application and IB has recorded this change (enclosed PCT Notification of the recording of a change of 11.12.02 - Form PCT/IB/306).

b) I have communicated with IB and informed them about your requirement concerning the declaration and I was told that IB has done everything that they have had to do and that I should not have any problem about the declaration before USPTO.

Please, would you let me know whether I need still, besides above said, to furnish the declaration of inventor and pay \$65 Surcharge. If so which Form I need to use for declaration (PTO/SB/01, PTO/SB/01A or something else).

I KINDLY ASK YOU FOR A PROMPT REPLY ON MY FAX : + 27 21/ 461-32 10.
BECAUSE I HAVE LIMITED TIME TO SUBMIT THE DECLARATION AND PAY
SURCHARGE AND LETTERS TAKE NOT LESS THAN 10 DAYS FROM SOUTH
AFRICA TO UNITED STATES AND I WOULDN'T LIKE TO BE LATE IF I NEED
TO SEND THE DECLARATION.

Dear Sir,

Further to your facsimile dated 20 November 2004 regarding a request for information, please be informed that all inventors named in a declaration of inventorship need to sign and date the declaration, except if they have signed the request form in Box X and the declaration has been submitted at the time of filing.

Consequently, the declaration of inventorship included in your application PCT/IB02/03439 did not need to be signed and dated since you signed the request form. In that way, you should not have any problem in national phase before USPTO.

With best regards,

Fabienne Socié
